Why Doğuş Agro?

Full Control, Field to Port

Contract farming, processing in our own facilities and loading at port. One counterpart across the whole chain.

Lot-Level Traceability

Every shipment carries a batch number, an accredited laboratory analysis report and a certificate of origin.

Flexible Packaging & Logistics

Private-label packaging options from 5 kg bags up to big-bags; FCL and LCL shipments.

Documented Quality Assurance

In food trade, trust is built on documents rather than declarations. Our entire production, processing, storage and export chain is open to audits by internationally accredited bodies.
